New Sermon Series Starts

Narbonne Avenue Baptist Church of Lomita adopted their 1961 church budget that calls for a 10% increase over the amount raised in 1960. This coming Sunday is Pledge Day. Every member of the church is urged to make a pledge to the church budget and Sunday School pupils are invited to pledge a weekly amount to finance the church program.

A proposal is being studied to finance an addition to the buildings of the church. The proposed building would provide space for nearly 400 in Sunday School and would house the church offices. The office space is so arranged that it could be used for classroom space at a later date. It would be known as the Children's Building and would care for ages 0-10.

The church is in the midst of their annual Bible Study Week. All ages are included in this popular event that takes place during January each year.

The Pastor, Robert A. Wells has announced two series of sermons to begin on January 29. The A.M. messages will be on "The Greatest Events in the Life of Christ." "This series will begin with the temptations of Jesus and end on Easter Sunday with his resurrection," Mr. Wells stated.

The evening message will be of particular interest to young people. It will be on "Love, Marriage and the Home." Sunday evening January 29, the message will be on "The 'Dear' Hunt."

on the El Camino campus. The performances, held in the Campus Theater, are directed by theater arts instructor Burnett Ferguson with the aid of student directors Ed Crosby and Cliff Potts. Settings for the play were constructed by the college stage production crew headed by Les Thomas, instructor.

A Message to Note

Read Ephesians 1:15-23 The church of the living God, the pillar and ground of the truth. (1 Timothy 3:15.)

Thirty-five years ago, Nazel El Nassara, meaning "Village of the Nazarenes," was poor, backward and miserable. This village in Egypt had no schools, no social center, no means of help. It was utterly neglected by all.

A true shining light, a small church, with a young devoted pastor—brought hope to that village and neighborhood. Vital preaching, praying, Bible reading, and a teaching ministry awakened the community to meet its needs through the power of the living Christ.

The village, now having 2400 persons living in it, has become a dynamic center of useful service. It has given to Egypt more than 100 pastors, doctors, chemists, teachers, and engineers, plus scores of efficient businessmen and leading officials.

Lately, it started a Laubach literacy campaign, which swept over the place and neighborhood, with a Bible team as follow-up.

What a blessing is the church in a needy world! PRAYER: We thank Thee, O God, for all that Thy church has meant to us and to our community. We pray Thee to fill it with power need to change and save communities of people from sin and sorrow, pain and ignorance. In Jesus' name. Amen.

THOUGHT FOR THE DAY As a church member, what service can I render to my community today? Nargis Alkes Attallah (Egypt)

Tourist Attraction

A visit to Southern California is literally the "trip of a lifetime" to millions of the tourists attracted here from other states.

Horace W. Brower, president of the All-Year Club, reported results of a survey into a sampling of the 4,747,000 tourist visitors who came here and spent over \$715 million during the past travel year.

Asked when they had last taken a trip comparable in cost to the Southern California visit, 36 out of 100 said "never before."

Of those who had taken such a trip before, 17 out of 100 had made their trip to Southern California. Next most popular was Florida, with 11 out of 100. After that came Europe with six and New York City with four.

Average Sales Tax Deduction Listed On Table

A table reflecting the average sales tax deduction claimed by taxpayers in the preparation of their 1960 Federal Income Tax returns was announced by Robert A. Riddell, district director of Internal Revenue for the Los Angeles area. This table is for use by taxpayers who itemize their deductions on either form 1040 or 1040W and reside in the 12 counties of Southern California.

Riddell stated that the law requires taxpayers to substantiate any deduction claimed on their returns and if requested by the Internal Revenue Service, they must be prepared to do so. Ordinarily, however, they will not be asked to produce records to support sales tax deduction claimed unless it exceeds the amount shown in the table.

Taxpayers who use the standard deduction in lieu of itemizing their deductions or use Form 1040A may not use the table.

The average general sales tax table includes payments at the rate of 3 per cent for state sales tax and 1 per cent for local sales tax.
